

Makers of db Powerflex Croquet Mallets

High-Tech croquet mallets each fitted with the exclusive POWERFLEX shaft that can assist players achieve increased shot distance, jump shots and shock absorption.

Each mallet head is machined from a solid piece of extremely strong and durable composite.

£326

The MP1 & MP2 - Two superbly balanced 11" mallets, the vertical holes help concentrate the weight at the playing faces.

£315

The SP6 'Aerotech' Mallet - is available with either a 10", a 10" lightweight or 11" head; the Aerotech wing holes help reduce mallet twist and improve accuracy.

£248

The Classics - SP1 & SP4 - This excellent, well proven range of mallets is ideal for both Association and Golf Croquet.

The shorter 9 ½” head length follows traditional designs, but benefits from the use of ultra-modern composite materials in its construction

The DB3 'Hybrid' Mallet - With its high vision sight lines and beautifully rounded top, the sides flow into a conventional square, flat base. The DB3 Hybrid is available with a 10" or 11" head.

£304

£336

The SR7 – The round top and bottomed Aerotech mallet with flat sides. Available in an 11"-ish (10" 13/16), head with a single sight line, weighing in at just over 3lbs.

All mallets are fitted with black foam handle grips as standard, with heights of 34", 36" & 38" and anything lower (If required heights up to 40" are available).

The shafts can be wrapped in red, blue or black diamond pattern grip at an extra cost.
