Mallets

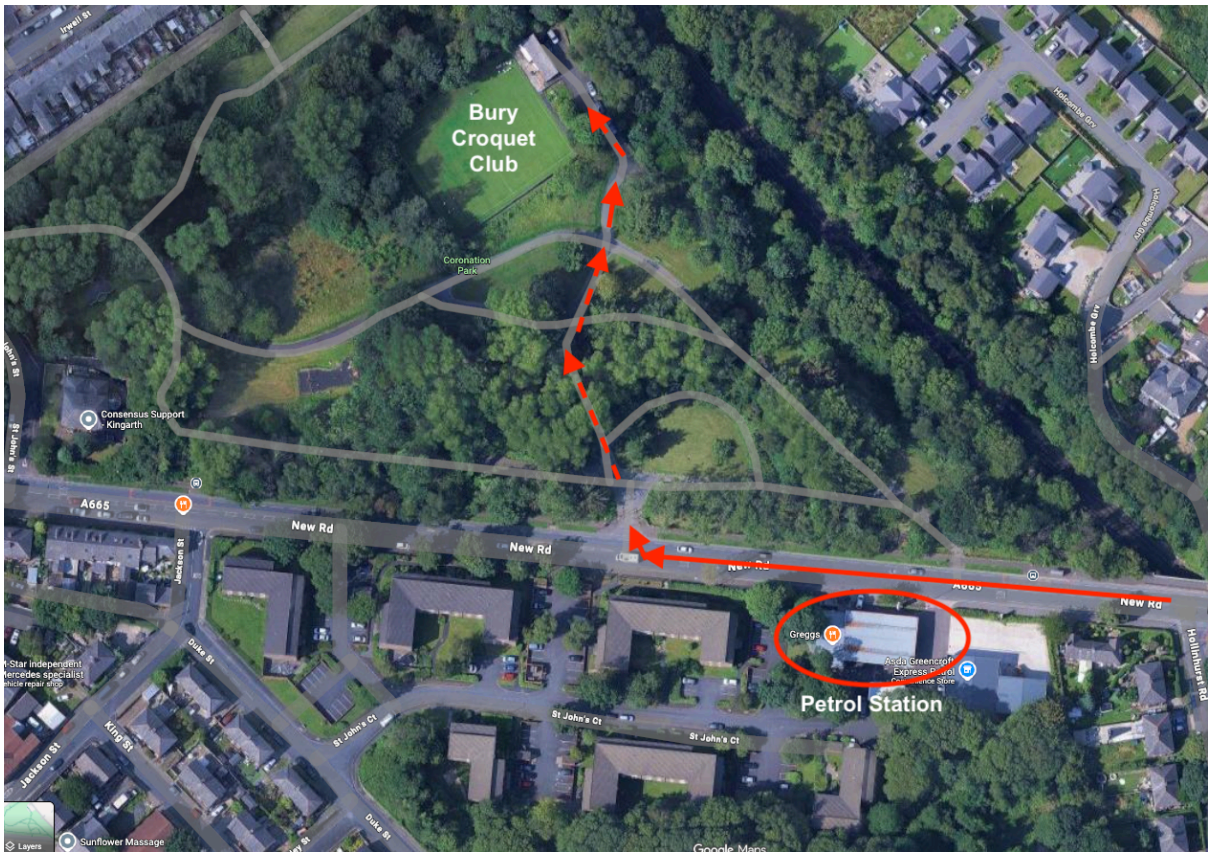
Coronation Park Directions

The address is New Rd, Radcliffe, Manchester M26 1LS.

What3words locations:

Gate/barrier: **///tins.strut.critic**

Club House: ///shock.shed.pads

Please find attached an aerial map with directions, the barrier may be pulled closed, but it will be unlocked so you can access the site. Once through please drive slowly as it is a public park and you are going over a blind rise.


There is a turning circle by the tree on your right just before the road leads down to the club house, this is to turn right into and then reverse down to the club house (that's the easiest way for when you want to get out).
